Commissioner:

In response to an Office Action and Interview Summary dated March 25, 2004, the Applicants hereby respectfully submit the following response.

On March 23, 2005, Applicants filed an Amendment to the Office Action sent on December 23, 2004. In that Amendment, Applicant provided a substantive and complete response to the December 23rd Office Action. Applicant notes that the March 25th Office Action is consistent with the content of the December 23rd Office Action and raises no new issues, objections or rejections. Applicants respectfully submit that the March 23rd Amendment also provides a substantive and complete response to the March 25th Office Action and that no further action on the Applicants' part is needed at this time. If the Examiner believes that there are open issues, he is invited to contact the undersigned to discuss the matter.

As the Applicants have overcome all substantive rejections and objections given by the Examiner and have complied with all requests properly presented by the Examiner, the Applicants contend that this Response together with the March 23rd Amendment overcomes the Examiner's objections to and rejections to the pending application. Therefore, the applicants respectfully solicit allowance of the application. If the Examiner is of the opinion that any issues regarding the status of the claims remain after this response, the Examiner is invited to contact the undersigned representative to expedite resolution of the matter.

Respectfully submitted,
Robert Battin, et al.
